

Coast To Coast 17.

On 2nd June this year a group of Senior Pupils from Kinlochbervie High School, accompanied by Mr Smart and pupils from Golspie High School and Dornoch Academy will set off to walk across Sutherland.

We leave from Dunrobin Castle where we will be seen off by a pipe band and the sound of cannon fire. Our aim is to walk over the next five days to Laxford Bridge on the west coast where we will be met by the Lochinver Lifeboat which will take us into Loch Clash in Kinlochbervie.

Throughout the walk we will have support from a huge range of people from the Army, local estates and volunteers who will look after everything from our food to our feet.

The aim of the walk, in addition to teambuilding and having a fabulous experience is also to raise money for some very good causes. The RNLI, East Sutherland Rescue Service, Friends of the Sutherland Veterans and all three schools will benefit from our fundraising efforts.

Please have a look at our Face Book page

www.facebook.com/coast2coastsutherland and **please** donate either direct to the school or on www.fundrazr.com/coast2coast17

There will also be an opportunity for some of our younger pupils (and their parents) to join us on Monday 5th June for day 4 of our walk from Loch Meadie to Loan. Watch this space for details.
